

MINES®

Beach Resort & Spa

Kuala Lumpur, Malaysia

A MINES Signature Hotel

There is a serene and restful resort
with a private sandy beach in Kuala Lumpur.

Set amidst verdant landscape and
swaying palm trees, the resort lies
beside a shimmering 150-acre lake,
with a sand-bedded swimming lagoon
of sky-blue waters. Welcome to

The Mines Beach Resort & Spa,
the perfect getaway for business or pleasure.

Upon arrival, you will be entranced

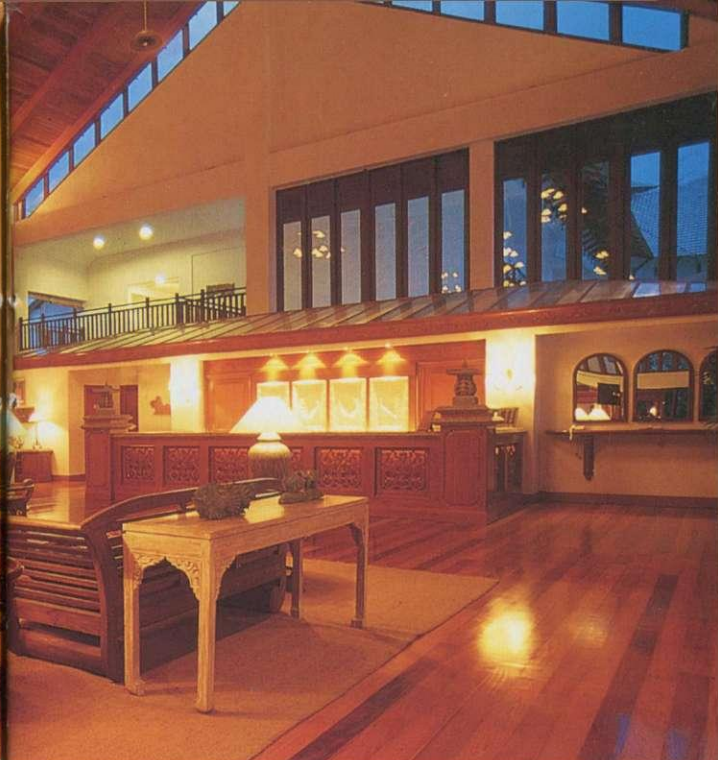

by the azure lake in the distance.

This is The Mines Beach Resort & Spa with
its welcoming warm ambience reflecting gracious

Malaysian hospitality. This is an experience

you can take home with you.

The Asian architecture, rich wooden beams and panels carved with Malaysian motifs, enchanting artifacts and tasteful furnishings provide a resort atmosphere that encourages you to relax.

Decorated in natural, soothing tones, every room is furnished with a full-sized working desk and other conveniences. All rooms have a balcony, most of them offering a spectacular view of the lake.

Experience Kuala Lumpur's most

breathtaking sunset at the Sunset Lounge.

Sipping your favourite drink, it's the best place

to end the day while the band entertains you.

Or slip into your flip-flops for a beach barbeque.

The Beach Hut offers sunset barbeque,

every Friday, Saturday and Sunday.

For more substantial meals, try out the two restaurants. Abdul and Charlie's serves tempting local dishes and a delicious mix of Eastern and Western cuisine. For sumptuous Cantonese cuisine or dim sum and fine dining, step into the Cheng Ho Court. Both restaurants overlook the lovely lake, enhancing the dining ambience.

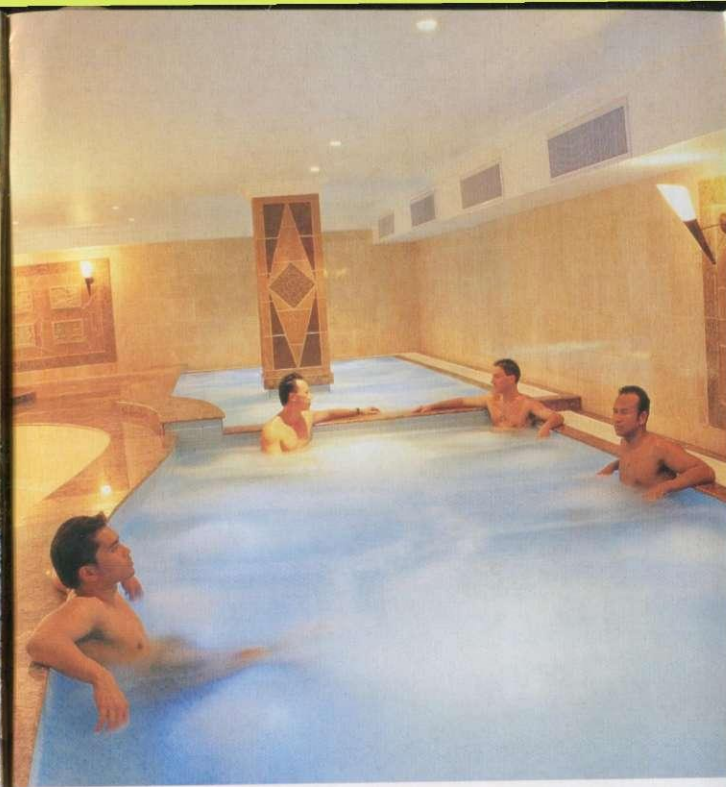

Our seven function rooms are fully equipped with conferencing facilities to meet the requirements of small board meetings or large banquets. Dedicated service teams attentive to your needs ensure your events run smoothly. The rooms open onto the lake or cascading pools, providing a refreshing break.

Retreat to the Zen Spa to relax your body

and mind with Shiatsu, traditional Thai
massage, aromatherapy and reflexology.

The hot and cold pools, the steam and
sauna rooms are perfect places to

unwind for the day. Ladies, don't leave

without a beauty treatment or facial.

Outside, the ambience is equally inviting.

The Mines Beach Resort & Spa is set amidst lush greenery, beside crystal clear waters - the perfect place for a stroll or a dip in the sand-bedded swimming lagoon. Take in the sunshine and the gentle breeze with the refreshing, cool air.

Beneath the tranquil waters of the lake,

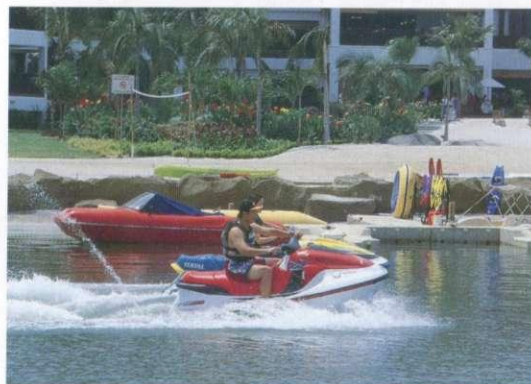

there's the call to pit your skills against it.

Take up the challenge: jetski, kayak, pedal boat,

canoe, waterski, wakeboat to banana boat.

Feel the adrenalin pumping through your

blood. Feel young and vibrantly alive.

For children, The Mines Beach Resort & Spa can be the most exciting place to be. Because there's nothing more fun than meeting new friends at Kem Kanak-Kanak (Kid's Camp) for supervised creative and educational activities together.
